

To our valued guests:

It is with a heavy heart that we must announce the closing of Jump 'n Jammin Mission Viejo, effective Tuesday, May 31, 2022.

As part of our covid settlement agreement with the Kaleidoscope Mall, they (the landlord) have the right to terminate our lease without cause. This means they are allowed to remove Jump 'n Jammin from the mall, at any time, and without any reason.

We were aware of this condition in our lease agreement with the mall however, as a tenant in a mall that is about half empty, we did not foresee the landlord opting to remove us.

This brings us to today. We want to go out in a celebratory fashion. We hope to see you all just one last time to say goodbye. You, our Jump 'n Jammin families, who entrusted us with your children's playtime and parties, are the reason we enjoyed 18 years in Mission Viejo.

Thank you for all the years.

Kindest Regards,

*Eric and Nancy B.*
